4-H CLUBS and FFA
SUPERINTENDENT - Marko Manoukian, Phillips County Extension Agent
Grant Messerly, FFA Advisor

GENERAL RULES:

Only members of the current year 4-H Clubs and FFA Organizations are eligible to participate in this department.

Montana 4-H and FFA require that animals be handled in a proper and ethical manner in accordance with accepted modern animal husbandry and scientific practices. In addition, adequate care, including watering, feeding, and comfort, should be appropriately provided to all animals. Any individual treating an animal in any other manner may be asked to leave the grounds.

Exhibitors, their parents, leaders, and instructors have a serious responsibility to follow animal health practices that are approved by the industry and the U.S. Department of Agriculture to assure that meat customers are receiving wholesome food. Health aides and other approved products should be used with care, according to prescribed practices, only when needed, and in the correct amounts.

Exhibitors should seek competent professional advice if medical situations arise which are beyond their capabilities.

Every animal exhibited, except market beef, shall be owned by or available to exhibitor prior to June 1 of the current year.

All awards will be given out at the discretion of the Judge.

All white ribbon 4-H market beef, 4-H market swine, and 4-H market lambs will not be allowed to be sold at the livestock sale. An exhibitor may only sell one market animal (beef, swine, or sheep) at the 4-H/FFA Livestock Sale.

All club members exhibiting must be in good standing and may exhibit only in the project and unit in which they are enrolled.

All 4-H and FFA exhibits in Agriculture and Home Economics will be judged on the Danish or group system of placing. The groups will be designated by colored ribbons – first group, blue; second group, red; third group, white. If no exhibit in a lot merits a blue ribbon, none will be given. Those exhibits not qualifying or which are below standards will not receive ribbon award ratings.

The money value of points earned will depend on the total amount of money available for 4-H Clubs and FFA work at the Fair. Exhibits must be in place by 8:00 p.m. Thursday. Barns and stalls must be open and stock uncovered between 9 o'clock in the morning and 6 o'clock in the evenings each day of the fair. Exhibits are not to be removed from the Fairgrounds until 4:00 p.m. Sunday.

Posters and panels are to be at least 14 x 22 inches.

4-H and FFA SHOWMANSHIP
CLASS 1

RULES:

1. 4-H and FFA members must be exhibiting and enrolled in the division in which they participate in the Showmanship Contest.
2. Members must use the same animals they exhibited as their entries in Showmanship.
3. Showmanship Classes may be divided into a Beginning Junior, Advanced Junior, and Senior Division. Ages 8, 9, and 10 as of October 1 (current 4-H year) will be in the Beginning Junior Division: Ages 11, 12, and 13 as of October 1 (current 4-H year) in the Advanced Junior Division.
